**Inoperable Motor Vehicles Code Ordinance** -Council and Mayor reviewed and Denise Chance read the Ordinance to all. Everyone agreed with the ordinance. Wayne made a motion to adopt the ordinance and Beverly seconded the motion. Unanimously passed.

**Fireman's Tax Relief-** Personal Property relief for Fireman that holds office in the town. Mariann explained the personal property for the fireman. It was billed to them in November 2025 and again in the supplement taxes that come out in January. Do not pay, there was a glitch in the system at Accomack County, and they are looking into what happened. Decals are still one free per household.

**Virginia Port Authority-** Mayor told all that the Port Authority approved us for up to \$147,000 for upgrades to the electric at the Harbor and the balance from the preceding grant was approved to carry-over for this project as well at \$48,758. Council and Mayor discussed the Harbor electric. Where does the 25% come from? Do we want to spend all our reserves from the Food & Beverage tax or Oyster Roast money on this 25%? Mayor stated she would talk to contractor Ronnie Lambertson and see when we can get him over here. Depending on the quote, we may need to get two more bids.

**Grass Violations-** Bruce Loberg and Virginia Crockett-

**Playground Equipment-** Beverly talked about the quotes she had gotten on playground equipment. She seen one at Lowes that was \$16,000 but we need to start somewhere. She will have more information at next meeting.
